NONPROFITS AND SCHOOLS · REDUCED NOT-FOR-PROFIT RATES

Mission first. IT that keeps up.

Nonprofits and schools run on tight budgets, small staffs and sensitive data. Pinnacle supports local nonprofits, schools and veterans organizations at reduced not-for-profit rates.

Where we help

Microsoft 365
Nonprofit pricing, setup and security

Devices
Chromebooks, iPads and staff PCs managed

Security
MFA, 24x7 SOC and staff training

Records
Client, donor and student data protected

What you get

- **Reduced rates** for qualifying not-for-profit organizations.
- **Content filtering and device management** for classrooms.
- **HIPAA help** when you handle health information.
- **Nonprofit Microsoft licensing** through our Cloud Solution Provider status.
- **Backup** for Microsoft 365 and your servers.
- **Board-ready summaries** of IT risks and costs.

How we start

1 Listen
Your mission, your staff and what is not working.

2 Assess
Devices, accounts, backups and security.

3 Plan
Priorities that fit your budget and grant cycles.

4 Support
Help desk, monitoring and on-site visits.

We serve this community too.

Pinnacle leadership serves on local nonprofit boards, so we understand how decisions get made, approved and funded.
